CLASS TEACHER'S DESK

Wonderful Mother

God made a wonderful mother,
A mother who never grows old;
He made her smile of the sunshine,
And He molded her heart of pure gold;
In her eyes He placed bright shining stars,
In her cheeks fair roses you see;
God made a wonderful mother,
And He gave that dear mother to me.

PRAG ROBOTICS

On 2nd November, 2019 our students participated in the PRAG ROBOTICS Competition held at Crescent University and bagged the 1st place under Grade 6 & 7 category.

They won the 3rd place under the Grade 8 & 9 category too.

KRISH MUSIC COMPETITION

Music binds our soul, hearts and emotions. Music is the best method of relaxation. It cheers the spirit and lightens the heart. In fact, through singing, children learn to express their feelings and ideas. To bring out the singing talent of our students we participated in “Singing Competition” was organized at Krish Vidyalya on 2nd November, 2019.

GENDER SENSITIVITY WORKSHOP

A Workshop on Gender Sensitivity was conducted for the Staff on 2nd November 2019. The session was very informative and effective. It was an interesting and eye-opening where teachers learned to handle the gender differences among our children.

ANIMAL PARADE

In continuation of our "Animal Kingdom" day, wherein our children had extended learning through various activities and displays of animals in different forms, our tiny friends from the Pre-KG had an animal parade on 6th November 2019 at SRMPS premises. The animal parade was with a message to save the animal kingdom, save nature and earth. They went on a parade around the campus wearing different animal costumes and making the sounds of the respective animals. They visited many classes and showcased their learning about different animals. They had a lot of fun and gained laurels and applause from their audience.

CULTURAL EXCHANGE PROGRAM

Exchange Programmes are a way for students from different parts of the country to experience education and culture along with their peers. Students & Staff of Dr.Holmes Academy, Bathinda, Punjab are on their cultural exchange programme at SRM Public School between the 6th of November & the 12th of November.

FIELD TRIP

SRMPS had organized an educational field trip for grade 3 students to the farm house at Potheri and Maraimalai-nagar on 13th November 2019 to enhance their learning experience on the concept 'The plant fairy and Flying High'. One of the resource person explained in detail about the types of plants and different breed of animals. The students interacted and arised number of questions to them. This was an unforgettable experience as the students enjoyed a lot.

A field trip to Dakshinchitra ("a living museum of art, architecture, crafts and performing arts of South India") was arranged for the students of Grade IV and V on Wednesday, 13th November 2019. Children were awestruck by looking at the traditional culture of Tamilnadu, Andra Pradesh, Karnataka and Kerala. This exhibit took them back in time to relish and to live life of the Dravidians in the ancient time.

Children were taken on a tour through various houses at Dakshinchitra, the need for things in the various houses were well explained. They learned about different kinds of houses including Weavers' and Potters'. Watching the potter making pot by just molding the clay on a wheel was indeed a learning experience for them.

The most exciting part of the field trip was the shadow puppet show. It was a memorable journey for all our students.

FIELD TRIP

A Field trip to the Vandalur Zoo was organized for the students of LKG on 13th November 2019 to enhance their learning experience.

The visit to the Zoo gave students a great exposure to observe animals and feel a connection with wildlife. The field trip was informative and enjoyable.

CHILDREN'S DAY

14th of November is celebrated as Children's Day every year all over India. Jawaharlal Nehru, born on November 14 was the first Prime Minister of the country.

Children's Day is celebrated on his birthday because of his endless love & affection for children.

Nehru was very fond of children and he strongly believed that children are the future of the nation.

Children call him as Chacha Nehru as they love and respect him a lot.

It was celebrated across all compartments. Children had loads of fun as they were surprised & happy to see their respective teachers perform for them on stage.

Children's Day is all about respecting and honoring children who are considered to be the future leaders of the nation.

PLASTIC PLEDGE & DIABETES DAY

We the students & staff took a pledge to avoid single-use plastic, to reuse or recycle the plastic that we do use, to educate others about plastic waste, and to take Citizen Muscle actions to make plastic a thing of the past.

On World Diabetes Day, we at SRMPS, support for all individuals around the world living with diabetes, and reaffirm the commitment of the

United Nations to fight for their needs and wellbeing on our path towards health for all. For the same our students from class 4 to 9 made their own PPT and raise awareness about diabetes and its complications.

FIT INDIA WEEK

PURPLE DAY

To make the little kids aware about colours and how they add beauty to things around us, yet another color day was celebrated on 20th November, 2019 by our SRMPS Kindergarten. Colours always fascinate us. It enlivens our environment and is an integral part of our life. It was Purple colour, the colour is associated with Royalty, Nobility, wisdom and dignity it also portrays dedication. Our tiny friends were excited and the air was filled with laughter as they were beautifully dressed in their royal purple colour attires. Children took part with great enthusiasm in art and craft activities related to purple colour and they also made their take away by themselves, thus reinforcing the concept of purple colour.

ARYABHATTA—EXAM

The ability to reason logically and present arguments in honest and convincing ways is a skill that is becoming increasingly important in today's world. The students learn that, with proper reasoning and assumptions, they can arrive at results that they can fully trust to be true in a wide variety of real-life contexts. To promote above mentioned competencies among students through joyful assessment, a Ganit Challenge is being conducted by CBSE. This test will mainly focus on the extent to which children are able to apply mathematics in daily life.

All the students from Grade 8 and Grade 9 appeared for the stage 1 test on 18-11-19. Among them, top 3 students 1. Madhana Kumar 2. Nitish Varshan 3. Dheetchanya Mohan are selected for stage 2.

FOOTBALL MATCH

Games are an integral part of the holistic development which directs one to be competitive while keeping the spirit of honesty and camaraderie alive. Keeping with the same, the Reliance Youth Sports Football Match was played on 27th November, 2019 between SRMPS and Vel's in an electrifying environment. Both the teams tried to outshine each other on the field and showed their mettle.

ACTIVITY FOR TEACHERS

20th November 'Best out of Waste' -by Teachers

Making the best out of waste has been a part of human life since the early ages. It was the human creative mind that gave birth to this extraordinary idea of using unwanted material in a useful way. In today's world recycling has a very important place. There are a lot of things around that are labelled as dump. But the irony is that most of the dump collected is useful for others, if recycled. Hence utilizing the best from unwanted things has become a generic necessity of every human's life. Teachers have a significant role in nurturing the value of environmental protection and conservation among children through creative craft activities like 'Best out of Waste'. This activity helped to enhance not only creativity and presentation skills but also helped them to realize the importance of recycling and reusing waste material available to them.

9A, 9B a visit to the studios of Puthiya Thalaimurai

Students of Class 9 visited Puthiya Thalaimurai Channel Studios on 21st November, 2019, on account of World Television Day.

KG ASSEMBLY

Morning assembly in a school gives each students and teachers a fresh start for the day with a prayer. It is a chance for the students to connect with each other. In SRMPS our Kindergarten kids start assembly with warm up exercise, morning prayer, National Pledge (first 2 lines), Happy tots oath, though for the day, Thirukural, amazing facts, rhymes and Birthday song.

STORY TELLING COMPETITION

A wise man once said, "After nourishment, shelter and companionship, stories are the what we need most in the world." It's the stories that give wings to our imagination and take us to places beyond the boundaries of our physical world and into the land of fairies, dragons and wishing trees. It is in our imagination that we embrace things and situations that we shy away from real world. Since time immemorial, storytelling has been an integral part of our childhood. To keep the tradition going and to incite curiosity and the love for reading in children, a story telling competition was held on 21st November, 2019.

PRESIDENT'S BIRTHDAY

Our beloved President Shri. Sathya Narayana's birthday was celebrated on November 21, 2018. Children sang birthday song enthusiastically. This occasion was captured as a short video to express love and affection of our students to our President.

SOURCES OF ENERGY

Energy is derived from various sources. In its various forms, it derives directly from the sun, or from heat generated deep within the earth, or electricity and heat generated from solar, wind, ocean and other resources.

SRMPS UKG team had organized the concept day for the month "Sources of Energy" by displaying the various objects, toys & pictures to rekindle the explorative learning among the children.

Show & Tell activity was also done where the children were eager to share their knowledge about the concept they have learnt and were also thrilled to showcase the objects, toys & pictures which was brought to school for the display.

EFFECTIVE CLASSROOM MANAGEMENT WORKSHOP

A power packed session on effective classroom management was conducted on 23rd November, 2019 for educators by a versatile personality Dr.G.Balasubramanian, Director of CBSE board. He disseminated knowledge about how to be a role model teacher grow professionally and personally good seating arrangement, display lively classrooms.

Teachers attended a session with great enthusiasm as he kept the session more interesting and lively . It is sure that efficacy of his speech will truly be visible in the classrooms of our School.

THANKSGIVING DAY

This wonderful time of year has arrived when we celebrate Thanksgiving and take the time to give thanks, appreciating everything we are blessed to have in our lives – our family, teachers, friends and of course, our education.

Happy Thanksgiving! Don't forget to give thanks to your family and friends.

CAROL COMPETITION

Carol Competition:

To bring in the joy and spread the happiness and spirit of Christmas, our students participated in an inter school Carol Singing Competition on 30th November held at Shri Niketan. Together, let's sing and welcome the Christmas season!!

MEET THE AUTHOR

A dream come true!!!

Meeting our favorite author always makes us ecstatic. It happened so on 28 November 2019 at Crown plaza, Adayar park when we met the living legend Mr. Ruskin Bond, the great author, essayist, short story writer, poet of all times. The session with Mr. Bond, organized by Ratna sagar publications made our day fulfilling with a sense of pride, joy and satisfaction. Mr. Bond bonded well with the students and educators and captivated each of them through his humorous sense. A few excerpts from his genres were discussed to retell the amusing events that happened and commemorate the birth of the hallmark characters. His anecdotes made us understand that he's a person next door not far away from us. No wonder he's children's favourite! The living legend deserves a big salute for rendering us beautiful creations which leave us spell bound.

COLLIN'S—WORKSHOP FOR TEACHERS

Teachers' workshop:

Collins, in association with MISA (Members of International Schools Association), conducted workshop for teachers on the topic "Metacognitive Skills in the Classroom" by Dr.Elaine Higgleton on Saturday, 30th November.

Article on Diabetes Mellitus

Diabetes Mellitus is a metabolic disorder in which blood sugar i.e. glucose levels abnormally high. The normal 70-100 mg/dl, when this range exceeds, then the person is diagnosed as diabetic. But why the blood glucose levels are more? It is because the Hormone insulin which regulates glucose in blood is secreted less or the body becomes resistant to insulin.

Types:

Type 1 – Juvenile diabetes which often begins in childhood.

Type 2- Most common type in adulthood.

Gestational diabetes- during pregnancy
