OF THE STUDENTS, FOR THE STUDENTS, BY THE STUDENTS

LITTLE GUARDIANS, BIG RESPONSIBILITY: A GREEN CELEBRATION AT SRM PUBLIC SCHOOL

In a heartwarming celebration filled with colour, creativity, and meaningful messages, SRM Public School hosted its Kindergarten and Pre-Primary Annual Day 2025–26, centred on the inspiring theme “Our Little Guardians of Planet Earth.” The event beautifully highlighted environmental awareness, social responsibility, and the powerful role young children play in shaping a sustainable future.

The celebration commenced with a digital lighting of the ceremonial lamp, symbolising knowledge and hope for a greener tomorrow. This was followed by a soulful prayer song and the school anthem, creating an atmosphere of unity and pride among students, parents, and faculty.

The gathering was warmly welcomed by the Principal, Vijayalakshmi Raja, whose address emphasised the importance of nurturing environmental values from an early age. The Annual Report was then presented by the KG & Pre-Primary Coordinator, showcasing the year’s milestones, joyful learning experiences, creative initiatives, and holistic development of the young learners. The occasion was graced by the presence of the Correspondent, M. Subramanian, and the Advisor, K. R. Maalathi, who shared thoughtful insights on responsible parenting and the need to cultivate a deep love for nature in children so they grow into mindful and responsible global citizens.

The Chief Guest, Ayyappan Rajasekaran, CEO of ALLCRON Pharma, Inc. and President of Cancer Vision Foundation, delivered an engaging and thought-provoking address. He spoke about the challenges of raising healthy minds and bodies in today’s digital world, encouraging parents to balance technology

use with outdoor learning and value-based upbringing.

The cultural segment of the evening was a vibrant showcase of talent and awareness. The young performers captivated the audience with colourful dances, lively songs, and thematic presentations highlighting tree plantation, water conservation, wildlife protection, and sustainable living. Each performance reflected innocence combined with a powerful environmental message, leaving the audience both delighted and inspired.

The theme, thoughtfully envisioned by Advisor Dr. Maalathi, perfectly captured the spirit of young eco-champions—reminding everyone that even the smallest hands can nurture the biggest change.

The Annual Day was more than just a cultural programme; it was a gentle awakening and a collective pledge. It reinforced a meaningful truth: when children dream of a greener, kinder world, it becomes a shared responsibility for society to support, guide, and help those dreams blossom into reality.

“IGNITING AWARENESS, ENSURING SAFETY”

A Fire Drill and Safety Awareness Programme was organized for students of Grades 6–8 in collaboration with the Tamil Nadu Fire and Rescue Services Department, Chengalpattu. The session aimed to educate young learners on the importance of fire safety and preparedness in everyday life.

Held under the motto “An accident-free environment for a happy and secure future,” the programme provided students with practical knowledge and hands-on exposure to essential safety practices. The fire and rescue team demonstrated various fire-fighting techniques, explained the safe use of fire extinguishers, and guided students through proper

evacuation procedures to be followed during emergencies. Students also learned about common causes of fire accidents, preventive safety measures at home and school, and the importance of staying calm and alert in critical situations. The team highlighted key emergency helpline numbers, including 112, and emphasized the value of quick response and teamwork during emergencies. The session proved to be highly informative, interactive, and empowering, equipping students with life-saving knowledge and instilling a strong sense of responsibility toward personal and community safety.

LIGHTING THE PATH TO SUCCESS

The Blessing Ceremony for Grade 10 and Grade 12 students was solemnly conducted on February 13, 2026, at Valliammai Hall, in the campus of SRM Public School. The event marked an important milestone as students prepared to appear for their upcoming board examinations.

The ceremony was graced by the presence of the Correspondent, Advisor, Principal, Vice Principals, and teachers, who gathered to extend their heartfelt wishes and blessings to the students. The atmosphere was filled with positivity, encouragement, and a sense of anticipation for the students’ future achievements.

As part of the traditional ritual, students lit diyas symbolizing knowledge, hope, and success, and respectfully sought the blessings of their teachers. In their inspiring addresses, the Correspondent and Advisor motivated the students to remain confident, focused, and resilient. They emphasized the importance of self-belief, disciplined preparation, and a calm mindset while facing examinations.

The ceremony concluded on a warm and emotional note, with teachers offering their best wishes and words of encouragement. The event served as a meaningful reminder for students to step forward with confidence, determination, and the blessings of their mentors as they embark on this significant academic journey.

MIND MASTERS: THE ULTIMATE QUIZ CHALLENGE

Our students brought great pride to the school by delivering an outstanding performance at the State Level H&C Federal Bank Quiz, held at Sri Sankara Senior Secondary School. Competing against some of the brightest young minds from across the state, our participants showcased remarkable knowledge, confidence, and teamwork.

We are delighted to share that SRM Public School secured the 2nd Winner position at the Mega Finale – State Level Competition,

marking a significant achievement and reflecting the school's strong academic culture.

In the Grade 5 Category, Lochan Surva N.L. and K. Lamika demonstrated exceptional quizzing skills and quick thinking, earning the 2nd Prize, along with a cash award of ₹12,000, trophies, and certificates.

Similarly, in the Grade 3 Category, Mukhil and Aradhya performed brilliantly to secure the 2nd Prize, also winning ₹12,000 in cash, along with trophies and certificates.

This remarkable accomplishment highlights our students' dedication, curiosity, and competitive spirit. The school congratulates all the winners for their hard work and applauds the teachers and parents for their constant support in nurturing young achievers.

“MINDFUL MOVES, MAGNIFICENT VICTORIES”

We are proud to celebrate the remarkable achievement of our young yogis, who showcased exceptional skill, discipline, and confidence at the Mrs. C. Premakumar Memorial Inter-School Yogasana Competition, organized by Sir & Lady M. Venkatasubba Rao Higher Secondary School.

The competition brought together talented students from various schools, providing a platform to demonstrate strength, flexibility, balance, and mental focus through the art of yogasana. Our students performed with great dedication and composure, impressing the judges with their precision, posture, and graceful presentation.

The winners are:

Jeeva (7C) – 1st Prize, Junior Boys Category

Ritvikaa (5B) – 1st Prize, Sub Junior Girls Category

Dheeraj (5E) – 3rd Prize, Sub Junior Boys Category

Tanve (6F) – 3rd Prize, Sub Junior Girls Category

Their achievements reflect not only their consistent practice and perseverance but also the school's commitment to promoting holistic development through physical fitness and traditional disciplines like yoga.

We congratulate our winners for making the school proud and wish them continued success as they keep shining and reaching new heights.

“SCOUTS & GUIDES SHINE AT TRITYA SOPAN CAMP 2026”

We are proud to announce that our Scouts & Guides successfully completed the “Tritya Sopan Training Camp 2026” held at the Bharat Scouts and Guides State Training Centre, Alathur, on 23rd February 2026. The intensive training camp was a valuable and enriching experience for our

students, designed to prepare them for the prestigious Rajyapuraskar Testing Camp. Throughout the programme, the Scouts and Guides actively engaged in sessions that strengthened their understanding of the Scout/Guide Promise and Law, deepened their sense of discipline and responsibility, and enhanced their teamwork and leadership skills. They were also trained in various traditional scouting practices, including different types of claps, commands, and essential campcraft techniques that form the foundation of scouting excellence. Kudos to all our Scouts & Guides for their perseverance and commendable performance. We wish them continued success as they take the next step towards achieving the Rajyapuraskar Award!

ART WITH A PURPOSE: SRM STUDENTS CHAMPION TURTLE CONSERVATION AT PALAVAKKAM BEACH

Students of SRM Public School proudly participated in a meaningful Sand Sculpting Contest held at Palavakkam Beach, combining creativity with environmental responsibility. The event aimed to raise awareness about the conservation of Olive Ridley turtles and emphasised the urgent need to protect marine life and maintain clean, plastic-free coastlines. With great enthusiasm and teamwork, the students created thoughtful and visually striking sand sculptures that conveyed powerful messages about ocean conservation. Their artwork highlighted the role of Olive Ridley turtles as vital contributors to the marine ecosystem and reminded the public of their shared responsibility to safeguard these gentle ocean dwellers.

Through this hands-on activity, students not only showcased their artistic talents but also deepened their understanding of environmental stewardship, sustainability, and the importance of protecting biodiversity. The experience encouraged them to become young advocates for nature, inspiring others to care for coastal ecosystems.

All participating students were awarded Participation Certificates in recognition of their effort, creativity, and commitment to a meaningful cause.

The event truly reflected the spirit of “art with a purpose,” reinforcing that when young minds come together with awareness and compassion, they can create powerful change for a greener and healthier planet.
