OF THE STUDENTS, FOR THE STUDENTS, BY THE STUDENTS

THE MELBOURNE EDUCATIONAL VISIT – 2026

Global Design Challenge 2026 was a remarkable learning experience for the students of SRM Public School, offering them an exciting opportunity to step beyond the classroom and immerse themselves in the world of STEM, innovation, technology, international collaboration, and cultural exchange.

As part of this enriching programme, our students visited leading educational and innovation hubs, including KIOSC, Vermont Secondary College, and Swinburne University. These visits provided them with valuable exposure to emerging technologies and real-world applications of science and engineering. Students explored fascinating areas such as advanced robotics, drone technology, Artificial Intelligence, Industry 4.0, virtual astronomy, and engineering applications, gaining insights into how technology is transforming industries and shaping the future.

A major highlight of the visit was the students' participation in the H2GP Hydrogen Endurance Race, where they put their technical knowledge and engineering skills to the test. Working together under challenging conditions, the team demonstrated technical resilience, strategic thinking, problem-solving, and exceptional teamwork. Their efforts were recognised with the prestigious Pitstop Award, adding another proud achievement to their international learning journey.

The Global Design Challenge also provided an invaluable platform for our students to collaborate with learners from Australian schools. Working alongside students from diverse backgrounds, they exchanged ideas, explored innovative solutions, and participated in various STEM tracks. This cross-cultural collaboration encouraged them to look at challenges from different perspectives and strengthened their ability to communicate, collaborate, and innovate as part of a global team. Beyond technology and academics, the Melbourne visit was also an opportunity for cultural exchange and personal growth. Interacting with students and educators from another country helped our students develop a broader understanding of the world and appreciate different cultures, perspectives, and approaches to learning. The experience significantly strengthened their confidence, creativity, leadership, critical thinking, communication, and problem-solving abilities. More importantly, it encouraged them to become curious learners and responsible global citizens who are prepared to embrace challenges and create solutions for the future.

This was a journey of innovation, collaboration, discovery, and transformation, creating meaningful international connections and inspiring our students to dream bigger, think globally, and innovate fearlessly.

FREEDOM, VALOUR, EXCELLENCE & PRIDE

SRM Public School celebrated the 80th Independence Day of India with immense pride, patriotism, and enthusiasm as part of the school's 10th Anniversary celebrations. The occasion brought together students, staff, and distinguished guests to commemorate the spirit of freedom and honour the values that continue to shape our nation.

Our esteemed Chief Guest graced the celebrations, Brigadier Mohan Barathan (Retd.), Artillery, whose presence added great significance to the occasion. The ceremony commenced with the hoisting of the National Flag, followed by the National Anthem, filling the campus with a profound sense of patriotism and pride.

A special tribute was paid to the courage, sacrifice, and unwavering dedication of our Armed Forces, whose valour and commitment safeguard the freedom we cherish. The occasion served as a meaningful reminder to our students that the privileges we enjoy today are built upon the sacrifices and service of countless brave men and women.

The celebrations also provided a platform to recognise and appreciate excellence within our school community. Our 100% Attendance Achievers were felicitated for their remarkable commitment, discipline, punctuality, and consistency. Their achievement reflects the importance of dedication and perseverance in every aspect of a student's journey.

Adding further excitement to the celebrations, our young sporting champions were applauded for their outstanding performances in Track & Field. Their achievements showcased not only physical strength and sporting talent but also the discipline, determination, resilience, and team spirit that define true sporting excellence.

The Independence Day celebration was therefore more than a commemorative event it was a celebration of freedom, courage, discipline, perseverance, and excellence. As SRM Public School marks a decade of nurturing young minds, the occasion beautifully reflected our commitment to inspiring students to become confident individuals, responsible citizens, and future leaders who carry the values of our nation forward.

With the tricolour soaring high and the spirit of patriotism resonating across the campus, the celebration became a proud reminder that the future of our nation lies in the hands of a generation that learns, strives, serves, and leads with purpose.

A CELEBRATION OF SPORTING SPIRIT AND EXCELLENCE

The Annual Sports Day of SRM Public School was celebrated with great enthusiasm, energy, and discipline, providing our students with a wonderful platform to showcase their athletic talent while embracing the true spirit of sportsmanship, teamwork, and healthy competition.

The much-awaited event was graced by our esteemed Chief Guest, an accomplished Asian Games athlete, whose presence inspired our young sportspersons. The dignitary was warmly welcomed by the Correspondent, Advisor, and Principal.

The inaugural ceremony included the Sports Oath, where participants pledged to uphold fairness, integrity, and sportsmanship. This was followed by the spectacular March Past, led by the school band and featuring contingents from the various houses. The students' precision, coordination, and confidence reflected their remarkable discipline and team spirit.

A symbolic highlight of the ceremony was the Olympic Torch Relay, as student leaders passed the torch, signifying the spirit of perseverance, unity, and the pursuit of excellence.

The day concluded with the Prize Distribution Ceremony, where winners of individual events were honoured with medals and certificates. Topaz House proudly secured the title of Overall Sports Day Champion for its outstanding performance across the events, while Ruby House emerged as the March Past Winner.

The Lighthouse Team played a pivotal role in hosting and anchoring the event, keeping the proceedings engaging and well-coordinated throughout the day.

The Annual Sports Day was truly a celebration of fitness, discipline, teamwork, perseverance, and excellence, reminding our students that true victory lies not only in winning, but also in participating with courage, playing with integrity, and growing through every experience.

Play with passion. Compete with integrity. Celebrate every achievement!

SPOTTING TALENT! NURTURING POTENTIAL!! BUILDING CHAMPIONS!!!

At SRM Public School, we firmly believe that every child possesses a unique talent and the potential to excel when given the right platform, guidance, and opportunities. With this vision of identifying and nurturing sporting excellence from a young age, the school recently conducted Athletic Trials on 1st and 2nd August, under the guidance and support of SRM University.

The trials provided an exciting platform for our young athletes to showcase their speed, strength, agility, endurance, coordination, and competitive spirit. Students participated with tremendous enthusiasm and determination, giving their very best across various athletic activities. The energy on the field was truly inspiring, as our budding sportspersons demonstrated not only physical ability but also discipline, confidence, perseverance, and a strong desire to succeed.

Our experienced coaches and mentors were delighted to witness the remarkable pool of athletic talent among our students. The trials served as an important opportunity to identify promising young athletes who have the potential to represent the school at various levels and pursue excellence in their chosen sporting disciplines.

More than just a selection process, the Athletic Trials marked the beginning of a journey towards sporting excellence. The identified talents will receive focused training, expert mentoring, regular practice, and opportunities to participate in competitive events. Through systematic coaching and continuous encouragement, we aim to help our students develop their skills, build confidence, and understand the values of teamwork, discipline, resilience, and sportsmanship. At SRM Public School, we see sport as an integral part of a child's holistic development. Our commitment goes beyond winning medals—we strive to create confident, disciplined, resilient, and determined individuals who are prepared to face challenges both on and off the field.

The enthusiasm and potential witnessed during these trials have filled us with great optimism. We look forward to seeing these young talents grow, train, compete, and transform their potential into performance.

This is just the beginning!

With the right training, dedicated mentoring, and meaningful opportunities, we are confident that our young athletes will continue to push their limits, achieve new milestones, and rise to greater heights.

From discovering talent to developing potential, and from potential to performance—we are committed to building the champions of tomorrow!

LEARNING BEYOND THE CLASSROOM

EXPLORING, DISCOVERING & EXPERIENCING

At SRM Public School, we believe that some of the most meaningful lessons happen beyond the four walls of a classroom. Our field trips provide students with opportunities to observe, explore, experience, and connect classroom learning with the world around them. From farms and museums to heritage sites, planetariums, and nature parks, our students embarked on enriching journeys that turned every outing into an unforgettable learning experience.

A Day at the Farm

Our youngest explorers, Pre-KG, LKG & UKG, enjoyed a delightful day at a farm, where they experienced the joy of being close to nature. They had the opportunity to see and interact with farm animals, including cows and ducks, while discovering the sights and sounds of the natural environment. The little ones enthusiastically explored their surroundings, enjoyed playful moments, and experienced the simple joys of farm life. It was a wonderful opportunity for our young learners to develop curiosity, compassion for animals, and an appreciation for nature through firsthand experiences.

Discovering Wildlife at Guindy Children's Park

Our Grade 1 and 2 students had a delightful day of learning and discovery at Guindy Children's Park. Surrounded by greenery and wildlife, our young explorers observed a variety of animals and birds and learnt about their habitats and the importance of protecting nature. Every sighting sparked curiosity and excitement, turning the visit into an engaging lesson on wildlife and conservation. The experience encouraged our students to appreciate the natural world and understand the importance of caring for the environment.

A Journey Through Railway History

Our Grade 3 students stepped into the fascinating world of railways during their visit to the Rail Museum. The trip offered them an exciting opportunity to explore the evolution of trains and discover how railway transportation has developed over the years. Through exhibits and fascinating railway artefacts, students connected their classroom learning with real-world history and technology. The visit was filled with excitement, curiosity, and plenty of memorable moments as our young learners travelled through the story of India's railway heritage.

Exploring the Wonders of Space

Our Grade 4 students embarked on an exciting journey into the universe with a visit to the Birla Planetarium. The experience opened their eyes to the fascinating world of astronomy, planets, stars, and galaxies. Through immersive presentations and engaging exhibits, students explored the mysteries of space and deepened their understanding of the universe beyond our planet. It was an inspiring experience that encouraged them to look beyond the familiar and nurture their curiosity about science and the cosmos.

Connecting with Nature at Tholkappiar Poonga

Our Grade 5 students enjoyed an enriching field trip to Tholkappiar Poonga, where nature became their classroom. They explored the surroundings, observed the diverse natural environment, and discovered fascinating aspects of the ecosystem. The visit provided students with an opportunity to understand the importance of preserving our natural spaces and appreciating the delicate balance of the environment. Filled with exploration, fun, and discovery, the trip created wonderful memories while extending learning beyond textbooks.

Exploring Heritage at Valluvar Kottam

Our Grade 6 students travelled back in time during their visit to Valluvar Kottam, a significant landmark celebrating Tamil heritage and the legacy of the celebrated poet Thiruvalluvar. The visit offered students an opportunity to explore the historical and cultural significance of the monument and deepen their appreciation of Tamil literature and heritage. Experiencing history firsthand helped students connect their academic learning with the rich cultural legacy around them.

Inspired by Swami Vivekananda at Vivekananda Illam

Our Grade 7 students visited Vivekananda Illam, where they explored the inspiring life, ideas, and teachings of Swami Vivekananda. The visit encouraged students to reflect on values such as courage, self-confidence, discipline, service, and perseverance. As they learned about his remarkable journey and vision, students gained meaningful insights that extended beyond academics. It was an enriching experience that combined history, values, inspiration, and self-discovery.

Weaving Stories & Exploring Heritage

Our Grade 8 students embarked on an enriching journey to a Weavers' Village and a heritage site, where they explored traditional craftsmanship, cultural heritage, and the stories woven into our artistic traditions. They had the opportunity to learn about the skills, techniques, and dedication involved in traditional weaving while gaining a deeper appreciation for the artisans who preserve these time-honoured practices.

The visit to the heritage site further connected students with our rich history and cultural roots. Experiencing these traditions firsthand helped them understand that heritage is not merely something preserved in books or museums—it is a living legacy passed from one generation to the next.

Learning That Lives Beyond the Classroom

From interacting with farm animals and discovering wildlife to exploring railways, understanding the wonders of space, connecting with nature, and discovering our rich heritage, each field trip offered a unique learning experience.

These journeys encouraged our students to observe, question, explore, and understand the world around them. More than just excursions, they were opportunities to build knowledge, develop empathy, appreciate culture and nature, and create memories that will stay with them for years to come. At SRM Public School, every journey is an opportunity to learn, and every experience becomes a story worth remembering.

A SILVER SPLASH AT THE JUNIOR NATIONAL AQUATICS CHAMPIONSHIP 2026!

SRM Public School takes immense pride in celebrating the remarkable achievement of our talented swimmer, Kayaan Nathella of Class XI-C, who won the Silver Medal in the 4 × 100 m Relay at the 52nd Junior National Aquatics Championship 2026, held in Bhubaneswar from 18th to 23rd August 2026.

Competing at a prestigious national-level championship, Kayaan showcased exceptional skill, perseverance, and sporting excellence. His outstanding performance in the relay event, combined with remarkable teamwork and determination, earned him and his team a well-deserved place on the podium.

This achievement is a testament to the countless hours of training, discipline, commitment, and passion that Kayaan has dedicated to the sport. His success serves as an inspiration to fellow students and young aspiring athletes, reminding us that perseverance and hard work can turn dreams into remarkable achievements.

Congratulations, Kayaan! Your dedication, determination, and team spirit have made the entire SRM Public School family immensely proud. We wish you many more victories, milestones, and moments of glory as you continue to make waves in the world of swimming!

CELEBRATING EXCELLENCE IN DANCE!

SRM Public School proudly celebrates the remarkable achievement of Nithyavarshini, who participated in the prestigious “Barathamum Bharathamum” Dance Competition, held at the renowned Kalakshetra Foundation, Thiruvannamipur, Chennai, on 22nd August 2026. The competition was organised by the Kalayala International Institute of Dance and Music Trust, Chennai.

Showcasing her passion for classical dance, creativity, and artistic expression, Nithyavarshini delivered an impressive performance that reflected her dedication and commitment to the art form. Her talent and creative vision were especially recognised in the Best Choreography category, where she proudly won the award.

This achievement is a wonderful testament to her perseverance, discipline, and love for dance. Performing on the prestigious premises of Kalakshetra Foundation makes the accomplishment even more memorable and meaningful.

We extend our heartiest congratulations to Nithyavarshini on this well-deserved recognition. May her passion for dance continue to inspire her to explore new horizons, create beautiful expressions through movement, and achieve many more milestones in the years ahead!

ONAM CELEBRATION AT SRM PUBLIC SCHOOL

The spirit of Onam filled the campus with joy, colour, and togetherness as SRM Public School celebrated the vibrant harvest festival with great enthusiasm. The celebration offered our students an opportunity to experience the rich traditions, culture, and values associated with this beautiful festival.

The campus came alive with colourful Pookalams, traditional attire, music, dance, and cheerful celebrations. Our students enthusiastically participated in various activities, embracing the festive spirit and learning about the cultural significance of Onam.

Our little ones added a special charm to the celebrations as they enjoyed creating colourful floral designs and exploring the beauty of this traditional art. The sight of students coming together and contributing flowers to create beautiful Pookalams reflected the values of unity, creativity, and sharing.

The celebration also introduced students to the cherished legend of King Mahabali, whose reign is remembered as a time of prosperity, equality, and happiness. Through the festivities, students discovered that Onam is not just a celebration of harvest, but also a reminder of the importance of kindness, togetherness, gratitude, and harmony.

The day was filled with laughter, creativity, cultural expression, and unforgettable memories. The vibrant celebrations brought the entire school community together, making Onam a truly joyful and meaningful experience for everyone.

May the spirit of Onam fill our hearts with happiness, enthusiasm and togetherness!

CELEBRATING EXCELLENCE AT ALPHAMETIC '26

Our talented students proudly participated in Alphametic '26, an inter-school mathematics competition organised by the Department of Mathematics and Statistics, SRMIST, showcasing their creativity, logical thinking, problem-solving skills, and teamwork.

Our young achievers delivered an impressive performance across various events. Jhanavarshan secured 1st Place in Block & Tackle, while Baladitya won 2nd Place in Rubik's Cube. Sourish & Sridarshan earned 2nd Place in Memory Check, and Nikil S.N. & Varesh secured 3rd Place in the Mind Sprint Quiz.

Their remarkable achievements reflect their sharp thinking, perseverance, teamwork, and enthusiasm for mathematics and mental challenges.

Heartiest congratulations to all our young achievers! Your outstanding performance has made the SRM Public School family proud. May you continue to explore, challenge yourselves, and excel in every endeavour!
